TENTATIVE AGENDA

ITEM 1. The meeting of Dallas County Board of Health was called to order at 7:04 pm by Board of Health Chair Kim Chapman on April 7, 2020. Members present included Samantha Uhlenhake, Monty Button, Dr. Josh Kindt. Staff present included Ted Trewin. Guest included Mark Frette.

ITEM 2. Kindt moved to approve the agenda. Button seconded the motion. **All ayes, motion carried.**

ITEM 3. No items were brought forward in open forum.

ITEM 4. Mark Frette was having issues with his septic system and wanted to replace the septic and did not want to do a soil analysis to install a new septic system. Mr. Frette also wants to install the septic himself. Monty Button also spoke that Mr. Frette has installed septic system and Mr. Frette has a plumbing license. Dr. Kindt asked if we need to investigate more by having Ted Trewin go out and see the failed laterals. Ted indicated that at this point, going out to see the lateral field would be slowing down the process of getting a new septic system installed. Kindt made a motion for the Board of Health to give a variance to Mark Frette on Chapter 31 Board of Health Regulation contingent on verification of septic tank status. Uhlenhake seconded the motion. **All ayes, motion carried**

ITEM 5. Button moved to adjourn the meeting. Uhlenhake seconded the motion. **All ayes, motion carried.** Chapman closed the meeting at 7:37pm.

Respectfully submitted,

Ted Trewin
